

## PRODUCT RELEASE

### **GT Series 1 introduces a new product!**

#### ***Fiberglass front bumper cover to fit 986/996 Porsche***

This is a GT3 Cup style of nose. The nose is designed to fit all years of 986 Boxstere & 996's through 2001. The front ducts do align to the bumper and radiator ducts for fit & proper cooling. Noses are available with optional mesh screens to reduce debris & damage to radiators and condensers. These are delivered in primer.
