## **GT Series 1 - SPECIAL RELEASE!**

### ***Race Windshields - New "Blems" - to fit Porsche 996 GT3's***

In a \*limited supply\* we are offering windshields to fit 996 Porsches.

These windshields failed to meet our specifications for the heaters. The windshields are guaranteed to fit. These windshields are DOT approved although we recommend you use them while you are testing and not racing. The glass is tinted without shading and includes the mirror mount. Windshields are delivered individually boxed. Actual weight: 25lbs. Shipping weight: 33lbs.
